Re: Notice of File Closure for Small Mining Activities, SRS Mining, Bud #1 Project, S/027/050, Millard County, Utah

Dear Messrs Hodges and Gale:

This letter is to notify you that your small mining permit for the Bud #1 project located in the NE1/4 of the NE1/4 of Section 14, T24S, R9W, Millard County is being closed and the file retired. We have been informed by the Bureau of Land Management that this site is now a BLM community pit. Therefore, any mining at this site will be strictly under the jurisdiction of the BLM.

You are hereby released from any further mining or reclamation responsibilities by the Division at this site. If you plan to conduct any new mining related activities in this area, you will need to submit the appropriate notice of intention, pay the Division permit fee, and receive written approval(s), prior to commencing any such activities.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321.

Sincerely,

Tom Munson
